Announcements

Hello shooters! Thank you everyone who participated in the July shoot at Livermore! There was a total of 76 participants!

We wish to thank the Livermore crew as they did a fantastic job keeping score and loading targets.

A congratulations is in order to the July HOA BJ Matthews with a total score of 146.

If you are permanently pre-squadded, remember to let us know if you are not able to make it to a shoot by sending us an email to trapshooter@sbtrap.org. Or if you would like to pre-squad for the following shoot, please let us know. The permanent pre-squad list will come out in a separate email.

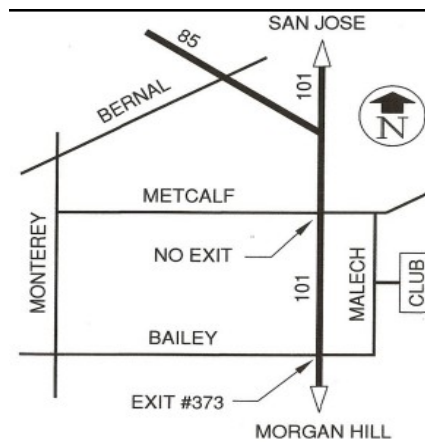

Thank you for being apart of the South Bay Trap League. Thank you for making South Bay Trap League what it is today!

Established during the 1960's, the South Bay Trap League (SBTL) has served the trap shooting community in the Southern San Francisco Bay Area with a high quality league orientated competitive shooting environment. The SBTL rules are based primarily on the rules set by the Amateur Trapshooting Association (ATA) and customized to provide for greater individual and team accomplishment. The SBTL organizes and manages nine (9) tournaments at our member clubs throughout each calendar year.

THE SBTL MISSION

The South Bay Trap League mission is to promote the sport of trap shooting, promote a high level of competition and to provide a well organized monthly event to enable local clubs the ability to hold profitable tournaments.

Next shoot August 1, 2026

Metcalf Coyotes

Registration Starts at 9:00 AM
Shooting Starts at 10:00 AM

Pre-Squad info: If you are pre-squaded, when you arrive at a shoot, all you have to do is pickup your card from the table and proceed directly to the cashiers, no waiting to get squaded. A few days before a shoot you will receive an email about pre-squading. If you are going to attend, you do nothing. If you can't attend, then just reply back to the email that you can't attend. Very simple process and you will know where & who you will be shooting with at every shoot.
