Established during the 1960's, the South Bay Trap League (SBTL) has served the trap shooting community in the Southern San Francisco Bay Area with a high quality league orientated competitive shooting environment. The SBTL rules are based primarily on the rules set by the Amateur Trapshooting Association (ATA) and customized to provide for greater individual and team accomplishment. The SBTL organizes and manages nine (9) tournaments at our member clubs throughout each calendar year.

THE SBTL MISSION

The South Bay Trap League mission is to promote the sport of trap shooting, promote a high level of competition and to provide a well organized monthly event to enable local clubs the ability to hold profitable tournaments.
